

NAME: _____ III : A / B

1. Read and answer the questions.

Did you know that some whales can sing?

Some humpback whales make sounds that are like songs. They moan and grunt and squeak. A whale can sing for twenty minutes. Some whale songs can be heard miles away. Not all humpback whales sing. Only the male whales sing. They sing mostly in the Winter. No one knows why they sing. Some people think singing is their way to talk to other whales. Many people like to hear the songs. They think they are pretty!

a. Circle **TRUE** or **FALSE**
