The Cleeve School of English

A _____

Do you study in your holidays? Lots of children go to school in their holidays! The Cleeve School of English is a summer school in England. It is open from June to September. Students come from all over the world. Jaime from Mexico comes every year and loves it. This is what he says about it.

B _____

'I come to this school every summer. I love it. There are students from different countries here ... it's great fun. Classes are from 9.00 to 12.00 and then we have lunch at the school. In the afternoon we play football or tennis, go swimming or do art.'

C _____

'I stay with an English family. In the evening I have dinner with the family and then watch TV or meet friends from the school. I love it.'

D _____

Brenda is a new student here. She is Jaime's friend. This is what she says.

'I'm from Colombia. This is my first time at the school. It's fun. I love speaking English with students from different countries and I love my English family. After dinner, we play card games in the evening. They are very nice.'
